FACTS Student Information System: Family Portal

The St. Francis de Sales School FACTS Student Information System development is an ongoing process as we grow. It was a very exciting milestone when we launched enrollment through FACTS. We have learned a lot since then and we are continuing to make improvements as we move forward. Not only has it made the enrollment process easier, but it also provides access to the school calendar, your student's grades and assignments, all your financial information, and important documents. Please note, it is important to keep your information updated in your Family Portal as needed, such as medical information and emergency contacts. If you need assistance in accessing your family portal please contact the office. Access to your Family Portal by one parent or guardian is required for all future school year enrollments.

LAST WEEK FOR THE GINGERBREAD SCAVENGER HUNT

The Gingerbread Scavenger Hunt will end this Friday, January 7th so there is still time to join in the fun! If you enter in your form for \$10 you have a chance to win a \$50 Cedar Street Cinema Gift card. If you lost your entry form, no worries, Entry Forms are located on our school website or in the school office.

Snowshoe Club

Snowshoe Club begins this Wednesday from 3:05 pm to 4:30 pm.

If there is not enough snow to snowshoe the club is planning on going hiking. Please send your child with outdoor clothing (hat, gloves, winter jacket, boots, etc.).
