

# St. Francis de Sales School

Week of March 15, 2021

## UPDATE on the move from Option C to FACTS student Information Systems

We have made great progress during our system transfer from our information system Option C to FACTS. Day Care Billing and Teacher's Classrooms (grade books, attendance, and lunch) through FACTS are now working. This process is ongoing throughout the year. Our next big introduction will be **2021-2022 enrollment** through FACTS. We will be sending communication within the next couple of weeks with sign-up instructions for the FACTS Family Portal. This Portal will give you access to student information, FACTS tuition management, and enrollment for the 2021-2022 school year.
