ABC countdown to Summer

The countdown has begun towards summer! On April 22 we started our ABC countdown. Each letter of the alphabet represents a schoolday and has a letter theme. As we are excited to celebrate each day, it is equally important to stay focused! Please help our teachers and students by reminding your child to keep working hard. Daily attendance is very important as Dibels and MAP testing will begin in the next two weeks. Also, please check your child's masks and continue to send a clean/well-fitted mask every day. Together we can finish this challenging school year strong!

This Week's Happenings
