

*It's DEAR time,
for your DEAR student,
on DEER day!*

Drop Everything And Read!

On Friday, November 13th, the yearbook club will be hosting a DEAR event. All classes are invited to DEAR time that afternoon in our classrooms.

While we are all reading together, there will be juice and snacks available for purchase. Items will cost \$1.00 each. All proceeds will go toward reducing the cost of the 2020-2021 school yearbook for ALL families!

Last year's yearbook turned out amazing. If you'd like to check it out, please call the school office! We still have books available for purchase! We are looking forward to designing another beautiful yearbook for you again this year.
