**** Your child will also need tennis shoes to wear *daily*. We dance, run and move every day, multiple times a day and tennis shoes are the safest, most developmentally appropriate footwear for our activities, even when they might not be the cutest shoe in the closet. We will be taking a nature walk weekly, and adventuring outdoors, so rainboots might be good to have on hand, but not a necessity. We also spend a lot of time sitting and working on the floor, as well as hanging upside down outside, it seems - so I ask that shorts/leggings be worn under skirts and dresses, even if tights are worn.**

**** During the first 9 weeks or so, we will be having rest time after lunch. Please send in a small blanket/pillow for your child which will be sent home weekly for washing.**

**** Art/Sensory supplies are always in rotation in our room, and donations are always welcome. To get an idea of the types of things we regularly use, please check out our Amazon wishlist (searchable by looking up **K*Land Class Supplies Wish List - I hope**) - however, we are also willing to experiment with any other supplies you are particularly in love with and willing to share! We can also use paper towel and toilet paper tubes for various projects throughout the year.**
