Your child will also need tennis shoes to wear *daily*. We are also likely going to spend *\*a lot\** of time outdoors once we fall into a routine. Please make sure your kiddo is dressed appropriately for the weather. Also, send in a complete change of clothes in a clearly labeled plastic bag, including an extra mask, please. It is suggested you also have a few additional lanyards for masks, but those can be kept at home.

\* We are going to attempt to use these as dry erasers. I’ll keep you posted :)!

\*\* These will be used daily, so the heavy duty is important.

\*\*\* This will be used to purchase things like take-home and classroom use folders, pencil/toolkit boxes, cooking and art supplies.

Some things are going to likely need to be replenished as we march through the year. But with so much uncertainty, and the way the kids use different products, less seemed the way to go this year. I will throw up the bat signal when we start running low on classroom supplies like paper towels and disinfectant; if your kiddo needs more individual supplies, I will be directly in touch. Contact me at [sue.wood@sfd RAIDERS.com](mailto:sue.wood@sfd RAIDERS.com) if you have any questions at all!!
