  - \$35 project fee. This covers the cost of special activities and art projects/supplies. It will also pay for your child's subscription to *Clifford Magazine*\*. The fee can be cash or check, but if writing a check please make it payable to St Francis de Sales School.

\*Each year, our class subscribes to Clifford Magazine. This is a learning page that will come home 2 times a month and parents are provided with an access code so that they may use the website at home to review the monthly magazine, place interactive games, access short educational videos, and so much more! Information about the magazine will be coming home during the first week of school.

In the past, parents have taken advantage of open house night to drop off their paperwork and supplies so that there is less to carry on the first day of school. Watch for information from the school office for more information about the date and time of the open house.
