GIVING TREE

If you walk in the front entrance, you will see a tree on the wall with paper ornaments. On each ornament is a request from a teacher or the PTO. So, this year

we are asking that instead of buying an appreciation gift for your teacher take one of the bulbs and either buy the item or give money to cover the cost. You can then give that to your teacher.

BELIEVE

Polar Express Party December 21, noon! It will be a great time and we would love to have you come and enjoy hot chocolate and the movie with your kids. Sponsored by your PTO.

The Santa Shop was a great success. The kids had a great time picking out presents for all their loved ones. For the shopping helpers is was a blast seeing the kids shop and the thought they put into it. And even though the gifts are not very expensive, the joy and experiences for the kids is priceless!! If you have any comments or thoughts on the Santa Shop, please contact one of the PTO officers. We are here to listen and serve you.
