Passing of the Torch

PTO would like to thank Jen Evink for her willingness to be PTO president for the last 2 years. Jen didn't blink an eye when she was

asked to be the president, even though she already was extremely busy with many other projects along with working full-time, a wife and a mother, she knew the value that PTO provides to our kids and school. Even at the start of the pandemic Jen continued to lead the group, however, with the pandemic going over a year, Jen feels that she can better serve the group and bring peace to her life by being our secretary. Jen's understands the president's needs, and her organizational and creative skills will be a great asset to the board. Thank you again for all that you have done Jen. Sheila Clark has volunteered to take over the president's duties. She is grateful for the opportunity to work for a group that has such great support from both the staff and parents. She is looking forward to bringing as much joy as possible to the kids, staff and teachers. Her goals for the organization are to get more parents involved and to improve the playground during her tenure.

Flamingo Flocking Fundraiser

It's the middle of winter, no flowers in sight, just snow as far as the eye can see. Nothing but white and brown snow. Well, here is a way to brighten up your neighbor's or friend's lawn... a flock of pink flamingos in their front yard! For the price of \$15 for a flock of 20 flamingos, we will place the flock for you.

Maybe you like the winter scene and don't want flamingos in your front yard, then be prepared and buy flock insurance for \$15.

If you are flocked, you can donate \$10 to have the flock picked up. Or pay \$10 to have them migrate to another yard of your choice. If your neighbor cannot donate at this time, we will pick up the flock within 48 hours.

**VIRTUAL 5K FUNDRAISER
COMING IN MAY!**

**TELL YOUR FRIENDS AND
START TRAINING**

This fundraiser will run **from
March 1 through March 19.**
