- Discussed volunteer needs for Catholic Schools week
- Planning to roll out Volunteer Sign Up document for people to volunteer for recess and lunchroom help.

Your donations in Action

We are blessed with kind and giving families! You are always willing to help in whatever ways you can and we are grateful for every single one of you!

Thanks to your donations either through the Giving Tree or the Fun Run

teachers have been able to add to their classroom. For example, Mrs. McKinney was able to buy a CD player and sharpies from money she received from the giving tree. Mrs. Burnis was able to buy art supplies. Mrs. Wood was also able to buy CD/tape play to use in her Listen Up Station. Mrs. White bought licenses for kids to use ABCYA, which provides educational games on the computer. Mrs. Partyka got a 24 slot sorting system. Mrs. Knaffla is saving up for a scanner and Mrs. Mooi bought a really cool bible that can be used with an app that provides maps and other useful information when scanned with a phone. The junior high was able to have a pizza party as well as canvases and paints for painting as well as sharpies and card stock. There were many other items not mentioned, but all of the teachers are grateful for the opportunity to improve their rooms. Thank you for your support!

Calling all Volunteers

We will soon have more opportunities to help our school! We are looking for help with Online Auction, and Carnival. We will also be asking if you or any of your family are interested in helping with the Lunch & Recess Volunteer Program.

We will also need help with Catholic Schools Week on Feb. 1, 2 & 4.

GINGERBREAD SCAVENGER HUNT WINNERS

Thanks to everyone who braved the cold, dark and snow to participate in our scavenger hunt.

The winners are:

1. Joann Wood
2. Audrina & Alycia Kauser
3. Bethany Beaudre

Winners will have their choice of \$50 from either Cedar Street Cinema or Local Script.
