St. Francis de Sales PTO Newsletter

Welcome to another year of learning and adventure at St. Francis de Sales! Your Parent Teacher Organization (PTO) is committed to making this year successful for all students, teachers and staff.

WHAT ARE THE OBJECTIVES OF THE PTO?

1. To promote and aid the spiritual and educational forces of the home and school.
2. To maintain open lines of communication among parents, teachers and administrators of St. Francis.
3. To offer through well-planned programs and information to parents to create a greater appreciation of Catholic education.
4. To assist in programs and projects at St. Francis de Sales.

LIGHTS, GATES...ACTION!

Have you noticed the new LED lights in the gym? Or the new security gates? These

items were purchased with money from the PTO. With this purchase we are helping to save the school money with lower electricity costs and keeping our loved ones safer!

Script is a great fundraiser! But where does the money go? PTO supports Script, however, the money generated by this program goes directly to the school budget (helps keep heat and lights on). Script goal for the year is \$10,000.

Script helps keep tuition low!

Big Thanks to PTO Volunteers who helped set-up, run and tear down the Book Fair!

PTO bought all the books on the teacher's Wishlist that weren't bought by parents, and all the books on the library's Wishlist! Over 50 books in all!

Thanks to your generosity we raised **\$1758 for the library**, which Mrs. Mooi plans to use to update the non-fiction section.
