## MS. BETH BEAUDRE

Ms. Beth is an alum of SFDS and a graduate of MSU with a bachelor's in Early Childhood Development; we are so thankful to have her expertise in our PK-3 room! PreK 3 is learning so much and likes to spend their days exploring and playing, always curious and inquisitive. They are looking forward to getting back outdoors to play this week and will be learning about birds and experimenting with Q-tips in art. They've been counting the days they've been in school and are looking forward to the 100th-day celebration.

Assessments start this week to track how much they have grown and learned since the beginning of the year!
