RAIDER PRIDE Making a Difference

History Fair Begins in Fourth Grade

History Fair is a long tradition for St. Francis de Sales School. In fourth-grade students start working on how to participate in the History Fair. In fourth and fifth-grade students practice learning how to put projects together. In these grades, our student's projects are judged but are not able to go to the Districts. This year judging happened for the fifth through eighth grade and fourth grade was separate. We are very proud of all of our students who participated in the History Fair this year. 6th, 7th, and 8th graders who placed in the top three of their categories were able to move on to the District competition. Saturday our school hosted the District History Fair. Those who placed in 1st-3rd places at the District competition will be moving on to the state competition.
