

St. Francis de Sales Catholic School

2022 -2023 Supply List

KINDERGARTEN

Due to the larger number of students this year, and the limited space to store items, we are asking that you forgo the usual individual supply items, and instead pay a \$75 fee that will cover the cost of the items we would normally ask you to purchase, as well as cover the typical \$25 we use classroom supplies like folders, cooking, sensory, art, etc supplies. (Please make checks payable to St. Francis de Sales School)

We will still rotate a shared snack, but other than that, the plan is the combined fee will cover the other needs for the class for the upcoming school year.

As always, if you have any old magazines, paper or toilet paper tubes or other odds and ends we can use in the art area, we will gladly accept those kinds of donations ;).

Please note, your child will also need tennis shoes to wear *daily*.

We ask you to send in a complete change of clothes in a clearly labeled plastic bag and have all items your child brings to school (backpacks, coats, sweatshirts) clearly labeled for ease of return.

We will have a rest period the first nine weeks, and your kiddo is encouraged to bring in a small pillow and blanket to lay on during this time.

The water fountain in K is closed and will remain so for the duration of the year. Please make sure your child brings a clearly labeled water bottle with them to have in the classroom.

This information will also be covered in more depth, as needed, in our back to school packet for K Land.
